Event / Activity Volunteer Form

2019-2020

We are asking for each family to turn this form in. Kindly complete the event/activity volunteer form below and return it to school.

For many years we have stuck with the same event and fundraising routine throughout the school year. We believe it is now time to make some changes and bring new opportunities to our school community as well as the general community. We are looking to begin offering many additional fundraising options throughout the year in an effort to provide everyone with something they enjoy. It is not our intention to expect every family to participate in every single fundraiser, but instead to offer a number of opportunities so you can participate only in those events and opportunities that appeal to you.

In the spirit of making this enjoyable for all, we are looking for some feedback about our existing fundraising platforms, some new ideas we have, and most importantly we are looking for your suggestions. ALL suggestions are welcome and will be considered. Please visit our event and fundraising survey at:

Each event requires a minimum of two chairpersons. Every chairperson receives a list of all workers who have signed up to help. Chairpersons will also receive an event evaluation form from the last year's chairperson, to help assist in planning. If you wish to work with a specific person, please include his or her name. If you have any questions about an activity or event, please do not hesitate to contact a Home School Association Officer. Thank you for your anticipated help and support!

SOCIAL EVENTS

Social events are held to build and offer opportunities for parents and children to meet and enjoy their peers and members of the school and church communities. These events are self-supporting and are not intended to produce a profit. They are also a good opportunity for your student to receive confirmation volunteer hours.

ROOM PARENTS

A vital part of our school community, room parents assist teachers with classroom parties, activities, and field trips. They manage and run the class bake sale, which helps to lower the cost of class field trips. Room parents also assist in baking for the January Open House and other duties, as needed. The Head Room Parent for each grade is responsible for contact with parents, as suggested by the classroom teacher or HSA Officers.
