All volunteers serving in the position where they may have regular contact with children or young people must go under a background check. No individual shall be permitted to volunteer for any position where there may be regular contact with children or young people without first satisfying the background requirement.

Training must be completed for volunteers who have regular contact with students. The coordinator for volunteers, if any, may supervise volunteers at the discretion of the Principal, and may be delegated as their immediate supervisor.

Volunteers cooperate with the Principal in providing a positive educational climate for the student. Volunteers are directly accountable to the Principal. Volunteers agree to abide by established policies and procedures of the Archdiocese, which includes the completion of the background check, *Mind Your Business*.

The administrator reserves the right to accept or decline any offer of volunteer service.

All volunteers must complete VIRTUS Training:

All completed background check forms must be returned to the Archdiocese office. Any personnel who still needs training should be directed to www.virtusonline.org. Training online will continue using this format until further notice. The training is available 24/7, from the convenience of their homes and takes about 1 ½ hours to complete.
